

TIM BLACK

THE MOST DANGEROUS SHOW IN AMERICA

Host | Political Commentator | Independent Media

ABOUT TIM BLACK

Tim Black is an independent political commentator and the host of The Most Dangerous Show in America — a platform built on raw analysis, accountability, and conversations that challenge power from all sides. His commentary centers a Black American viewpoint while rejecting party loyalty, corporate influence, and scripted talking points.

Tim's audience doesn't come for headlines. They come for truth. That loyalty translates directly into trust — and trust is what makes sponsorships on this platform uniquely powerful.

The WolfPack is Tim's core audience — predominantly Black American, politically independent, working to middle class, and highly engaged with long-form content. They are skeptical of mainstream media and trust Tim's perspective precisely because he has no corporate allegiances.

Facebook alone averages over 1 million monthly views. Combined across all 5 platforms, The Tim Black Show surpasses 2 million monthly views — making it one of the most-watched independent Black political media platforms in the country.

PLATFORM PRESENCE
